What is the Grand Haven Area Community Foundation?

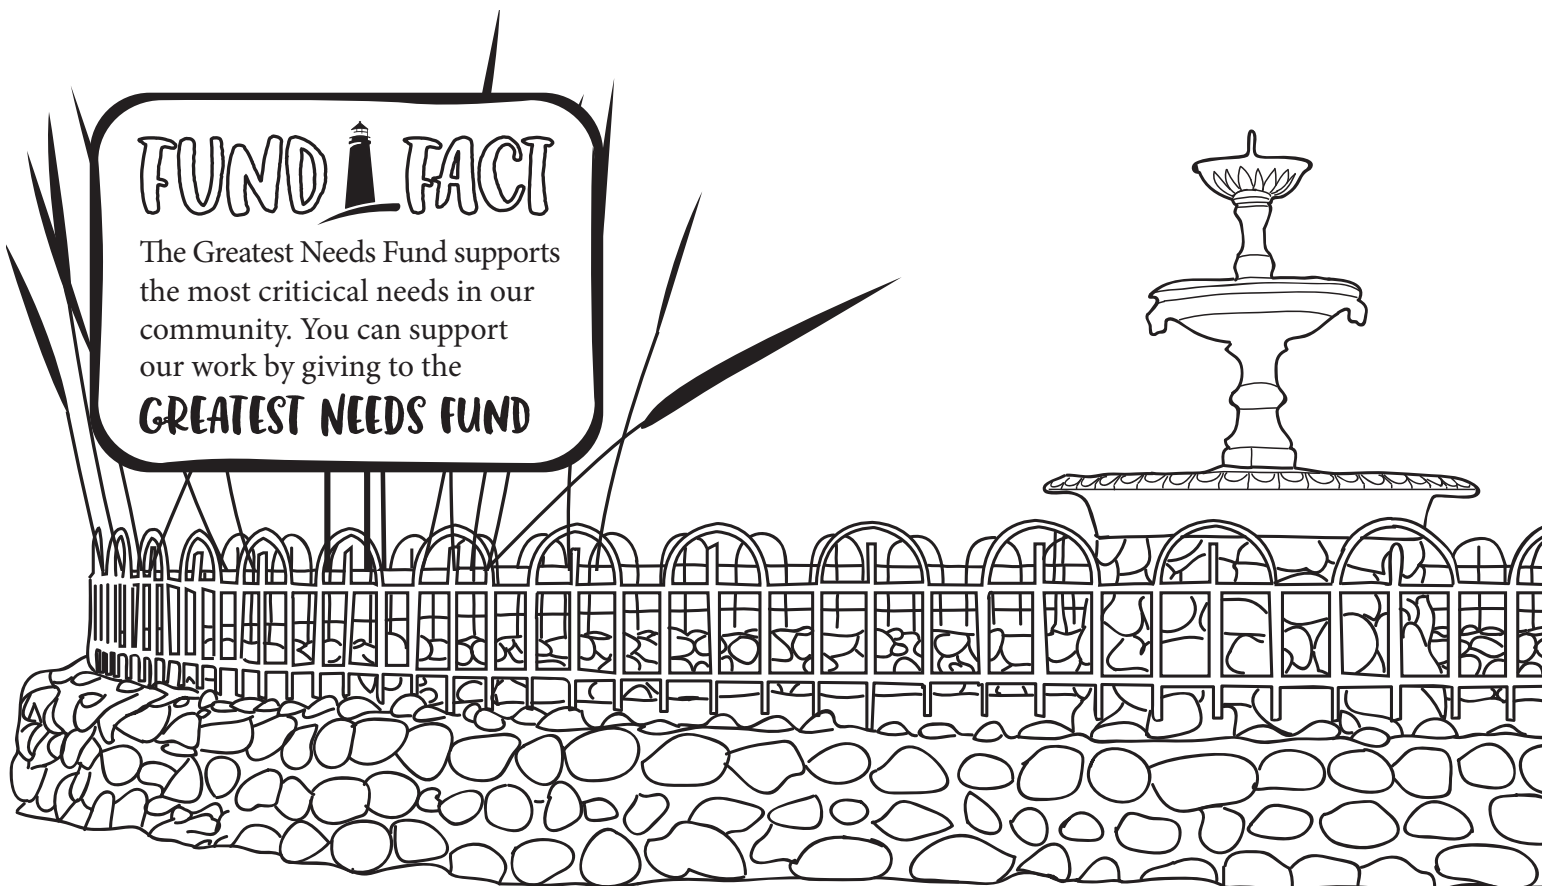

We're our community's charitable foundation and we're here to improve and enhance the quality of life in the Tri-Cities and West Michigan region.

The community supports us with gifts, we invest those gifts so they can grow, then we give back by investing in programs that help our community thrive.

BRING THESE LOCAL LANDMARKS TO LIFE BY COLORING OUR COMMUNITY!

We'd love to see how you color these images. Email them to info@ghacf.org OR share them online and use the hashtag:

#COLORMYCOMMUNITY

Education

There's no question that a good education is the foundation for a bright future. We support programs that ensure students have access to the resources necessary to reach their full potential.

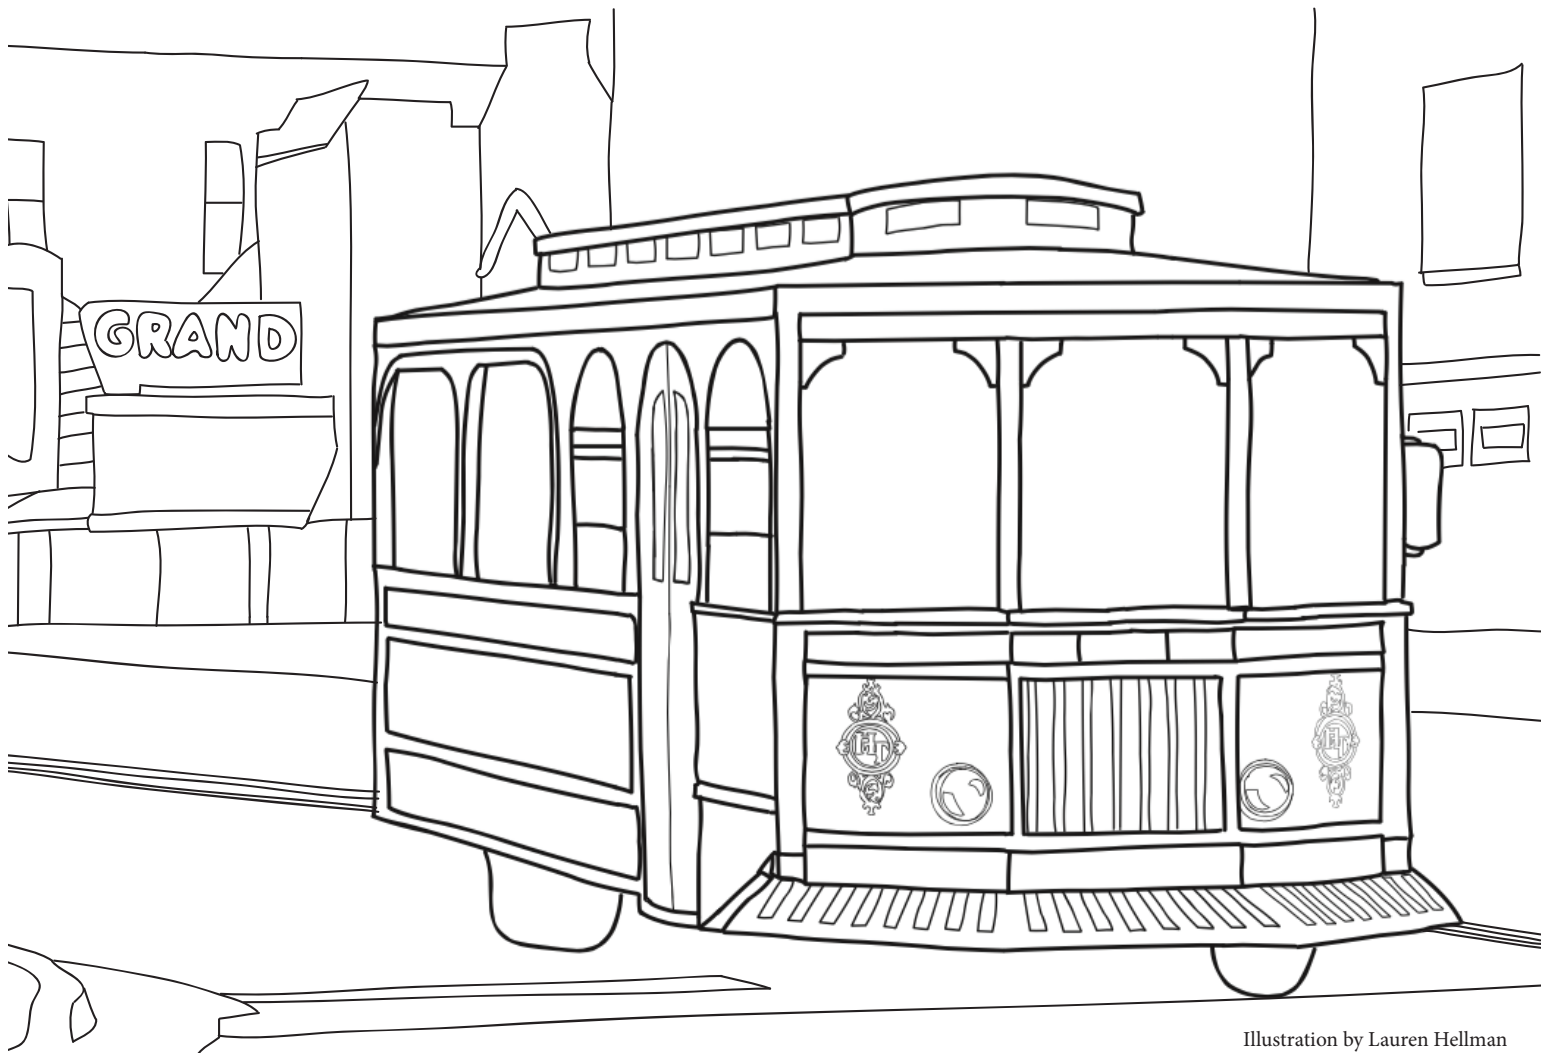

We also participate in Michigan's Local College Access Network, which addresses barriers that prevent students from pursuing post-secondary education.

Special thank you to the Spring Lake High School students from Mrs. Gwinnup's art classes who drew these wonderful images from our community.

FUND FACT

In 2016, we awarded 207 scholarships to 179 students. That's \$402,830!

You can support education by giving to the **GLACE SCHOLARSHIP FUND**

Economic & Community Betterment

We believe that vital and energetic areas of commerce are important to all Tri-Cities residents. By partnering with organizations that contribute to the economic growth and revitalization of your community, we aim to increase cooperation among municipalities, especially in recreation, transportation, and planning.

FUND FACT

We have numerous funds that benefit the community:

**SAVE THE CATWALK
WHISTLE STOP PARK
WATERFRONT STADIUM**

Health & Human Services

Good health is vital to a strong community. We focus on programs that address the critical needs of the most vulnerable members of our community, as well as those that promote healthy relationships and lifestyles for youth, adults, and older adults.

FUND FACT

Do you care about our local families and children? You can get involved by giving to the

GHACE FAMILY ^{AND} CHILDREN FUND

Arts & Culture

A collection of people makes up a town, but it takes art to make it a community. We support organizations and projects that bring artistic, cultural, and diverse opportunities to your community.

Environment

It goes without saying that the environment is an important part of your community. Grants dedicated toward preserving the environment ensure that our natural resources and waterways will be here for generations to come.

FUND FACT

Help preserve water quality and future sustainability by giving to the

GLACE ENVIRONMENT FUND

You can make a difference...
FOREVER!

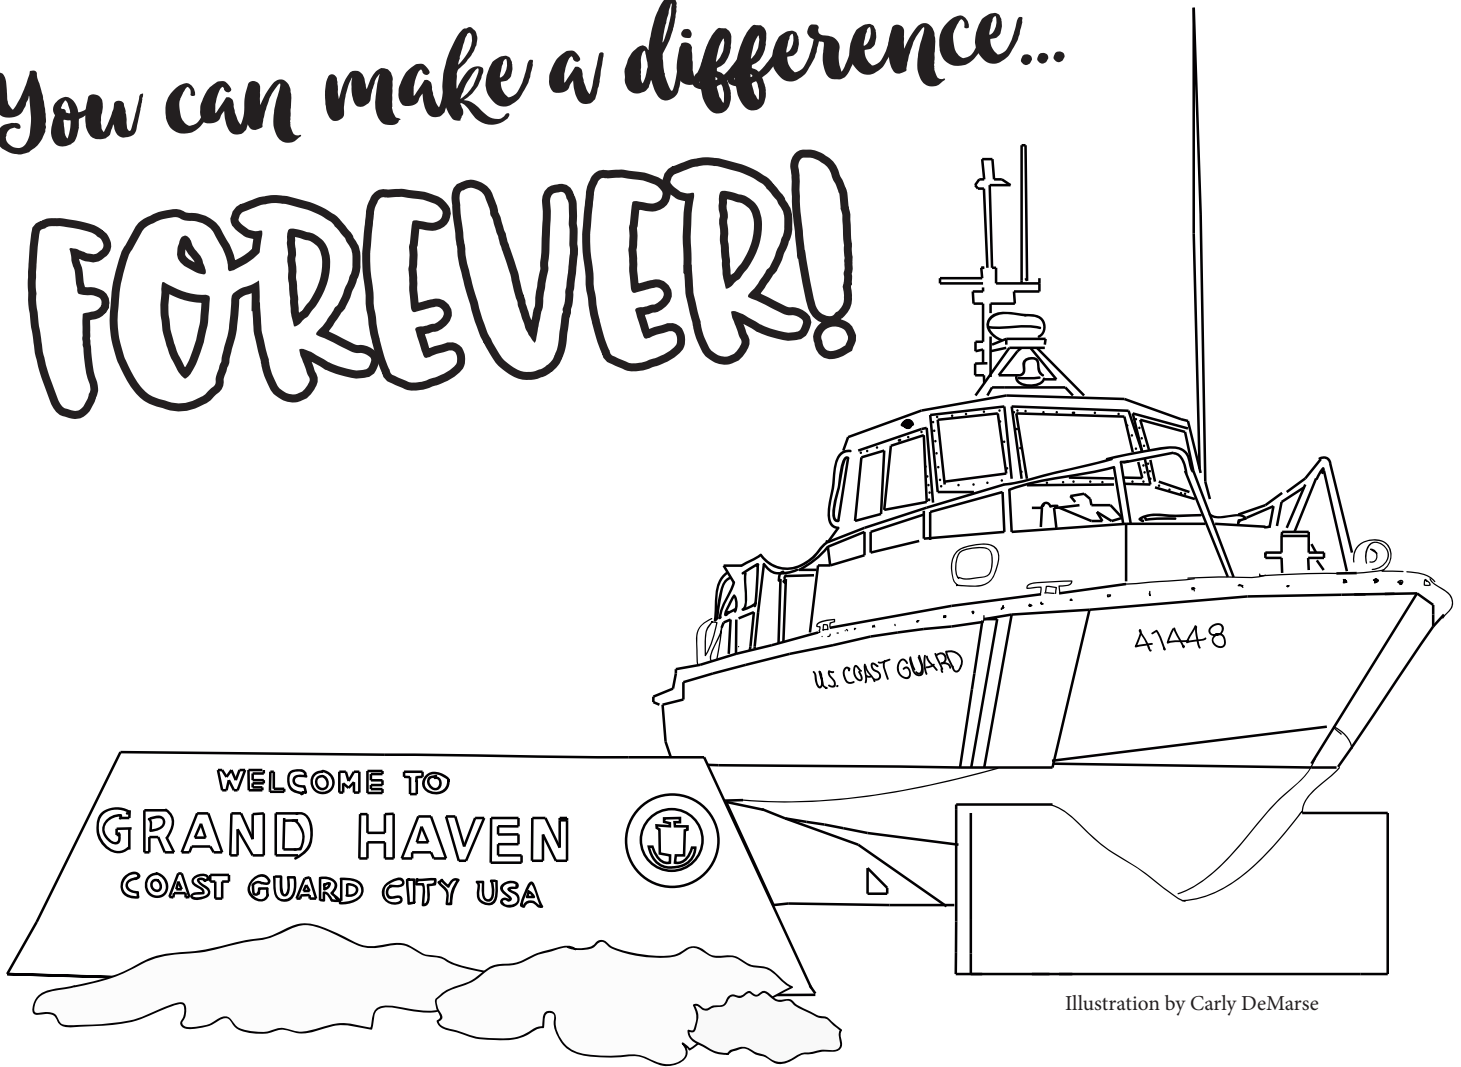

Illustration by Carly DeMarse

We're the place where every community member can come together to make a difference in the community. Be a part of our story and make a gift of any size. Whether it's a \$10 text, \$50 online gift, or a larger gift that honors a loved one, your donation will help us support the next Tri-Cities landmark.

Contact us today to learn more about supporting a cause near and dear to your heart, crafting a personal philanthropic plan, or leaving a permanent legacy to the place you call home. Please join us!
