Teacher Mini-Grants

The Allendale Community Foundation invites area schools to apply for mini-grant funding to try out a new idea or buy the "extras" for an already great lesson plan or project. Grants of up to \$250 are awarded to teachers to enhance their instructional program. Any teacher, counselor, or administrator employed in a public or private school located in the Allendale area is eligible to apply. Grants are limited to one per classroom, and one per teacher, per school year.
